Take A453 from the roundabout which leads into Clifton Lane. Go through Clifton - past Nottingham Trent University on your left, until you reach some traffic lights.

At the traffic lights keep to the left hand lane (the road goes into a dual carriage way). You are now approaching a flyover - turn left onto the slip road for Wilford/West Bridgford. You will then come to a roundabout - take the first exit on your left. Continue straight on at the mini roundabout.

You are now on Wilford Lane. Go straight on at the traffic lights. Travel for about 1 mile. You will then come to another set of traffic lights at a main junction. Keep in the left hand lane at the traffic lights. Turn left at the lights but get into the right lane as soon as possible. You will go straight through a small set of traffic lights then as you approach

Trent Bridge, County Hall will be on your left - get as far right as possible ready to turn right into Radcliffe Road (follow signs for Colwick B686) - this is the second turning right. The Trent Bridge Cricket Ground and the Trent Bridge Inn will now be on your right. Carry on keeping in the left hand lane to the second set of traffic lights, just after McDonald's - turn left, across Lady Bay Bridge

Go over the bridge and turn right at the traffic lights. Travel for about 100 yards and bear right at the fork passing Lady Bay Retail Park on your left and then round the corner you will pass a pub called the Magpies on your left. This is Daleside Road. Carry on along Daleside Road - going straight on at both roundabouts - Nottingham Race Course and Colwick Park will be on your right. You will approach 2 sets of traffic lights. At the 3rd set you turn right (Colwick Industrial Estate South) and turn left at junction onto Private Road Number 3. Armitages is approx. 400yds ahead of you to your right - a big blue building with white lettering.
